Teacher Materials

- Syllabus
 - Workshop description – completed by Andrea
 - Program goals – completed by Andrea
 - Schedule – loosely formulated in emails
- Intro PPT
 - Video instructions included – Sara to make
 - PPT w/ transcripts – PPT completed by Andrea, transcript starter– May 9 workshop
- Vocab PPT – Andrea's coteacher
- Workshop PPT
 - Video w/ transcripts – PPT completed by Andrea, May 9 workshop video can be cut or it can be retaped
- Card Game Instructions
 - Video of instructions & game play – Sara to make
 - Material pdfs – I don't know how the cards were made – hand made or if they have an e-version. Eversion, then this is completed, handmade, then we need to take photos and post
- Trivia Game Instructions
 - Video of instructions & game play – Sara to make
 - Material pdfs – I think you can make this and then get a product id to sell it online through other venues. Offer it free to the classes you teach, but sell it as a teaching aid in general.
- Song Instructions
 - Video of song – Trevor to make
 - Lyrics - completed
 - MP3 file for download – I'm sure y'all have experience making your own audio

Student Materials

- Quiz Games from PPT
 - Make online quizzes of the intro and vocab for ss to self-study - any know flash?, could also use things like DiscoverySchool and HotPotatoes to make quizzes and games that can be linked here
- Student Book – upload the file
- Puppet Show Video
 - Students can see themselves – 2-20 minutes of each puppet show would be a nice momento for the students
- Postcard Slideshow
 - Each class has its own slideshow – good momento for students and good material to cross promote on blogs and websites.
